*Kendall-Link Study*

**Miami, FL** – The Metropolitan Planning Organization (MPO), the agency responsible for the transportation planning process in Miami-Dade County, will be holding open house meetings for the Kendall Corridor Alternative Analysis (AA) also known as the Kendall-Link Study. The corridor stretches from SR-836 to the north, SW 152<sup>nd</sup> Street to the south, US-1 to the east, and SW 157<sup>th</sup> Avenue to the west. The Kendall-Link Study is a transportation AA study intended to develop a set of short, medium, and long range recommended transportation improvements, focused on rapid transit alternatives, in the Kendall area. The purpose of the open house meetings is to make the public aware of the Kendall-Link Study's initiation and to afford the public the opportunity to provide ideas and suggestions concerning transportation improvements that should be considered in the Kendall area.
